Willkommen bei SWISS

Der 31. März 2002 ist für die Schweizer Zivilluftfahrt ein historischer Tag: Unsere Gesellschaft hebt zu ihrem ersten Flug ab. Wir freuen uns sehr, dass Sie von Anfang an dabei sind, und überreichen Ihnen unseren Sommer-Flugplan.

SWISS ist unser Markenname und unser Versprechen. Darin kommt nicht nur unser Ursprung zum Ausdruck. Sondern all die positiven Assoziationen zur Schweiz: die Schweizer Qualität, die Schweizer Gastfreundschaft, die Schweizer Effizienz – lauter Dinge, die auf Reisen entscheidend sind. Diese Werte haben der Schweiz zu Wohlstand verholfen und ihr Ansehen in der ganzen Welt verschafft. SWISS will daran anknüpfen.

Und alle Mitarbeiterinnen und Mitarbeiter von SWISS wollen ihren Teil dazu beitragen. Indem sie Ihre Reise so gestalten, dass Sie sich gerne daran erinnern – und sie wollen nicht nur Ihre Wünsche erfüllen. Sondern Ihren Erwartungen nach Möglichkeit zuvorkommen.

SWISS fliegt Sie zu über 120 Destinationen in aller Welt, die als Geschäfts- oder Kulturzentren von Bedeutung sind. Dazu setzen wir eine Flotte von komfortablen Flugzeugen mit einem niedrigen Durchschnittsalter ein.

Wenn Sie SWISS buchen, sollen Sie eine weitere typisch schweizerische Eigenschaft kennen lernen: unsere Innovationsfähigkeit. Wir werden sie in allen wichtigen Bereichen unter Beweis stellen: zum Beispiel mit e›travel – und mit unserem Service und dem Informations- und Unterhaltungsangebot an Bord und in unseren Lounges. So bieten wir Ihnen in den Lounges in Zürich neu den Internet-Zugang drahtlos an - eine Weltpremiere. Oder wir werden Sie während der Schweizer Landesausstellung – der Expo.02 – fünf Monate lang auf spezielle Schweizer Art kulinarisch verwöhnen.

Editorial

Wir unternehmen grosse Anstrengungen, um SWISS als Produkt und Marke bis Ende des Jahres auf breiter Basis wahrnehmbar zu machen. Unsere Planung zielt darauf ab, dass die gesamte Flotte bereits im Dezember das SWISS-Design trägt. Ausserdem möchten wir der Aktionärsversammlung im Laufe des Jahres einen Namenswechsel vorschlagen: Swiss Air Lines Ltd. anstelle von Crossair AG.

Sie sehen: Uns und Ihnen steht eine spannende Zeit bevor. Wir freuen uns, wenn Sie uns dabei begleiten, und heissen Sie herzlich willkommen an Bord.

Bienvenue chez SWISS

Un nouveau chapitre de l'aviation civile suisse s'ouvrira officiellement le 31 mars 2002, date à laquelle SWISS deviendra opérationnelle à cent pour cent. Nous sommes ravis de votre participation à cette passionnante nouvelle aventure aérienne qui commence avec l'horaire d'été.

Comme son nom le suggère avec éclat, SWISS reflète distinctement notre patrimoine national fondé sur la qualité, l'attention et l'efficacité de nos prestations. SWISS confirmera qu'un grand nombre des qualités que le monde associe étroitement à la Suisse sont les atouts requis pour gérer une grande compagnie d'aviation. Ces valeurs n'ont-elles pas fait la prospérité et le renom de la Suisse! SWISS s'engage à perpétuer cette fière tradition.

Chaque employé de SWISS est décidé à faire de vos voyages un souvenir impérissable, au-delà même de vos attentes.

SWISS opère un réseau aérien planétaire avec une flotte à la pointe du progrès desservant quelque 120 destinations culturelles et commerciales affirmées ou en passe de le devenir. Parallèlement, SWISS se veut une compagnie novatrice dans tous les aspects commerciaux – s'affirmant comme le leader des services électroniques, des prestations en vol, du divertissement et de l'accueil dans les aéroports. A titre d'exemple, nos salons à l'aéroport de Zurich offrent déjà un accès sans fil à Internet, une première mondiale. Et pour donner une touche particulière, notre service de restauration à bord exposera un nouveau «concept Expo.02» sur quelques vols européens de choix pour illustrer la signification que revêt cette exceptionnelle exposition nationale durant ses cinq mois d'existence.

Editorial

D'ici à la fin de l'année, nous assurerons le lancement de nombreux produits nouveaux et articles visant à étayer notre marque. Nous pensons être en mesure de repeindre toute la flotte aux couleurs SWISS avant la fin de décembre. Les mois qui viennent seront plus qu'animés au fur et à mesure que notre produit fleurira. Le changement de raison sociale de la compagnie, Crossair S.A. devient Swiss Air Lines Ltd., est prévu au cours des mois qui viennent, après que les actionnaires auront donné leur aval.

Dans l'attente du grand honneur de vous accueillir prochainement sur l'un de nos vols, nous vous remercions par avance de la préférence que vous ne manquerez pas d'accorder à SWISS.

Welcome to SWISS

A new chapter in Switzerland's civil aviation history begins officially on March 31, 2002, as SWISS becomes fully operational. We are delighted to welcome you as a participant in the start of our exciting new airline venture, which coincides with the start of the summer timetable.

As our name so vividly suggests, SWISS will clearly reflect our national heritage, accenting quality, caring, and efficiency as fundamental aspects of our travel product. SWISS will confirm that many of the values the world associates so closely with Switzerland are also the qualities needed to run a great airline. After all, these values have brought Switzerland prosperity and worldwide respect.

SWISS is committed to maintaining and building on this proud tradition.

Every SWISS employee is determined to provide you with a memorable and pleasurable travel experience, one that not only meets but in many ways even exceeds your expectations.

SWISS operates a global route network with a fleet of technically advanced aircraft to provide you with connections to some 120 established and emerging business and cultural destinations around the world. At the same time, SWISS will be an innovator across all aspects of the business – asserting itself as a leader in such key areas as electronic travel, inflight service and entertainment and lounge facilities. For example, our lounges at Zurich already feature wireless internet access, a world first. And on a distinctly Swiss note, our inflight food and beverage offer will feature a new «Expo.02 concept» on selected European flights to reflect the significance of this spectacular five-month national event.

Editorial

We will be introducing the various new product and brand elements between now and the end of year. By December we plan to have our entire fleet operating in SWISS livery. The months ahead will be extremely active as our product reaches full bloom. The change of name of the company from Crossair AG to Swiss Air Lines Ltd. is foreseen for later this year, subject to shareholder approval.

We look forward to having the honour of welcoming you aboard a SWISS flight soon. Thanks for giving us the opportunity to make SWISS become your airline of choice.

Benvenuti in SWISS

Il 31 marzo 2002 inizia ufficialmente un nuovo capitolo nella storia dell'aviazione civile svizzera, con la piena operatività di SWISS. Siamo lieti di avervi al nostro fianco in questa emozionante avventura della nostra nuova compagnia aerea, che coincide con l'introduzione dell'orario estivo.

Come suggerisce lo stesso nome, SWISS rispecchierà il patrimonio nazionale elvetico. La qualità superlativa, l'attenzione e l'efficienza sono aspetti fondamentali del nostro prodotto. SWISS sarà la conferma che molti dei valori associati in tutto il mondo alla Svizzera, costituiscono altresì le qualità necessarie per diventare una grande compagnia aerea. Dopo tutto, questi valori hanno favorito il benessere della Svizzera e ne hanno decretato il rispetto in tutto il mondo. SWISS ha il compito di perseguire ed accrescere questa magnifica tradizione.

Ogni dipendente SWISS contribuirà a rendere la vostra esperienza di viaggio indimenticabile ed estremamente piacevole, appagando e persino superando le vostre aspettative.

La rete globale di SWISS sarà operata con aeromobili tecnicamente avanzati offrendo collegamenti con 120 destinazioni d'affari e culturali in tutto il mondo, sia classiche che emergenti. Allo stesso tempo SWISS assumerà il ruolo di vettore innovativo in tutti gli aspetti che competono il nostro lavoro – diventando una compagnia leader in aree-chiave quali l'e›travel, i servizi e l'intrattenimento a bordo, le dotazioni delle lounges. Le nostre lounges di Zurigo ad esempio dispongono già dell'accesso a internet tramite infrarossi. E come tocco tipicamente svizzero, a bordo di selezionati voli europei, l'offerta dei nostri pasti e bevande tradurrà il nuovo «concetto Expo.02», riflettendo l'importanza di questo straordinario evento nazionale.

Il nuovo prodotto e gli elementi legati al marchio verranno gradualmente introdotti a partire da adesso sino alla fine dell'anno. Entro dicembre contiamo di avere l'intera flotta allestita con la livrea SWISS. I prossimi mesi comporteranno un intenso lavoro affinchè il nostro prodotto venga pienamente sviluppato. Il cambio del nome della compagnia da Crossair AG a Swiss Air Lines Ltd. è previsto per la fine dell'anno in corso, ed è soggetto all'approvazione dell'assemblea degli azionisti.

In attesa di darvi al più presto il benvenuto a bordo di un nostro volo SWISS, vi ringraziamo anticipatamente per consentirci di diventare la vostra compagnia aerea preferita.
